

Thank you for purchasing a Maxell projector. Detailed below are the warranty conditions for this product.

Maxell Limited warrants that this Maxell projector is free from defects in workmanship and material for 3 years from the date of purchase from your reseller.

If any failure should occur under normal and proper usage within the period of the warranty then Maxell Limited will, through its service organizations, repair the product, at no charge.

During the warranty period, Maxell Limited offers to provide this service by way of repair and return or exchange for the same or similar specification product at its own choice. If required, a loan unit will be provided during the period of the repair (Countries within the mainland EEC only – not including dependent Islands).

Limitations:

1. Products for which appropriate proof of purchase by the original customer cannot be provided, or which are purchased second hand.

2. Damage caused by incorrect use, carelessness, unauthorized alterations, improper storage, unauthorized repairs or service or damage resulting from the operation of the product by incorrect supply or signal voltages. Cleaning of internal parts when used in a smoke affected atmosphere.

3. Failures due in any part to filters not being cleaned and serviced as detailed in the customer instruction book. In such cases the warranty will be void.

4. Failure of the projector, or any part of the projector, due to smoke or use in a smoke affected atmosphere. In such cases the warranty will be void.

5. Damage to external parts including the cabinet.

6. Products purchased outside Europe or non-European versions.

7. Any image burn upon the polarisers or LCD panels.

8. Lamps. These are warrantied for 6 months.

9. Normal wear and tear or deterioration by aging of optical parts such as but not limited to LCD panels, DMD panel, colour wheel, phosphor wheel, prism, polarisers and PBS.

10. Accessories and consumables such as but not limited to battery, remote controller and air-filter.

11. The DOA period in which a new product will be supplied is 28 days. Outside of this period, the above repair and return or exchange for a refurbished product policy will operate.

To obtain warranty service please contact one of the Maxell Limited authorized service organizations listed over-leaf. Details can also be obtained from your Maxell Limited reseller or from our website at: www.maxelldisplay.com Should you encounter problems operating your projector please first contact your reseller. If this product is defective your remedy is repair as set out above. To the maximum extent permitted by applicable law, Maxell Limited will not be liable for any damages whatsoever (including, without limitation, incidental or consequential damages) arising out of the use, or the inability to use this product even if Maxell Limited or its reseller has been advised of the possibility of such damages. This warranty is in addition to, and does not affect, your statutory rights.
